

God's House

Jesus taught his disciples many things. “Don’t be sad or worried,” he said. “Believe in God and in me. God’s house in heaven is so big that everyone can have a room. I’m going there to get your rooms ready. Later, I’ll come back to take you to God’s house. You know the way to where I’m going.”

Thomas and Philip looked confused. “What way do you mean?” they asked.

Jesus said, “I’m the way to know God. Because you know me, you know God too. I’ve taught you about life with God and the good things God wants you to do. Pray, ask me for anything, and I’ll help you do it.”

Thomas and Philip smiled. “We can follow you and do what you ask us to do. You are our way to heaven. We can live in God’s house too!”

What do you think
God’s house is like?
