

The Sower

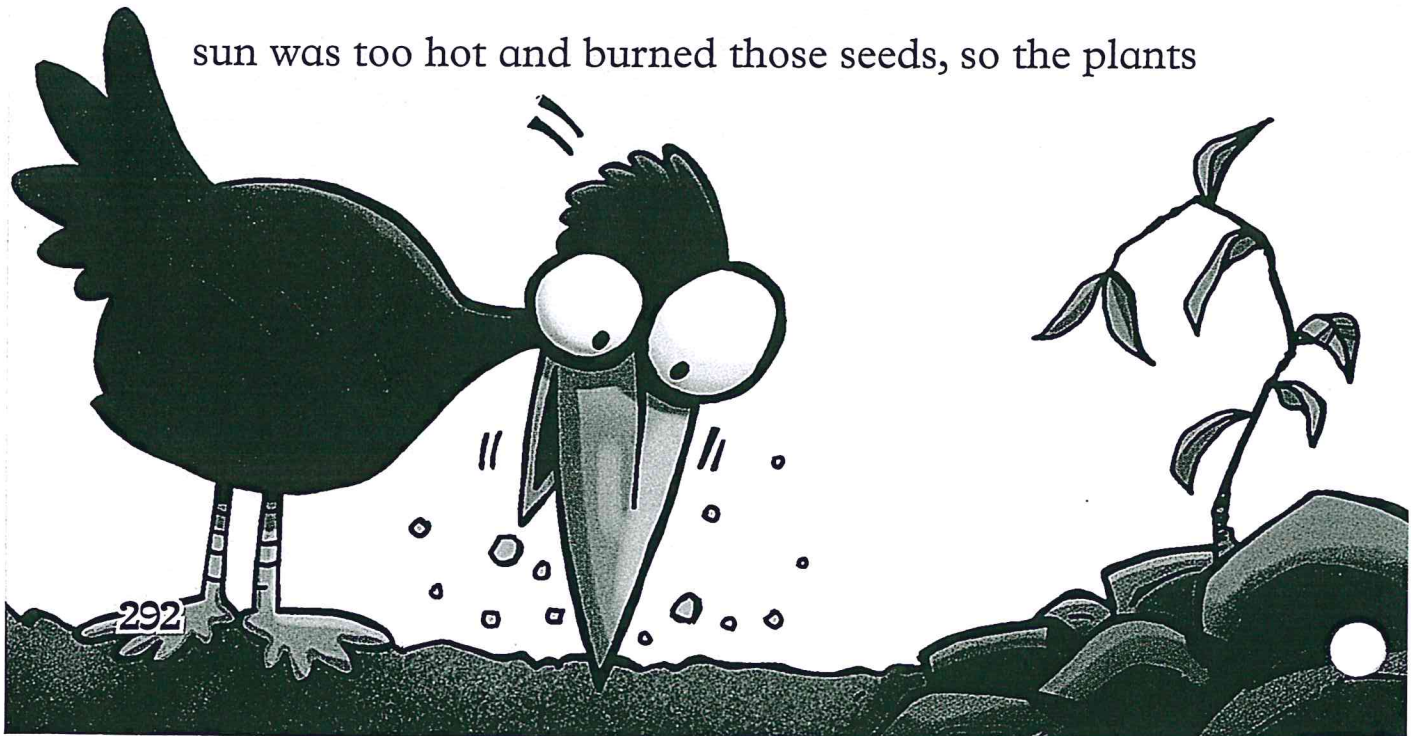

Jesus sat in a boat
when he told some
people on the shore a
story about a sower who planted

seeds on the ground. Some seeds landed on a path.

Birds came along and ate the seeds, so the plants didn't

grow. Some seeds landed in dirt with lots of rocks. The

sun was too hot and burned those seeds, so the plants

didn't grow. Some seeds landed
in dirt with too many weeds.

The weeds choked the seeds, so
the plants didn't grow.

Some seeds landed in
good soil, and the plants
grew and grew!

Jesus wants us to share God's Word
like the sower who scattered the seeds. Just
like some of the seeds that didn't grow,
some people will not listen to God's
Word. But many people will listen,
and God's Word will grow in them.

Plant a seed in a cup.
Use good soil. Give it to
someone who needs to
hear about God's love.
