

Be Humble

Jesus taught many important things to his followers. “Your rabbis know a lot about Moses and the scriptures,” he said. “Listen to what the rabbis teach you to do, but don’t act like them, because they say one thing and do another. They give you many rules to follow, but they never

give you any help when you need it. They try to show off and love to be the center of attention at parties. At gatherings, they like the seats where everyone can see them. Don't follow their example. God doesn't want you to show off or try to be the center of attention. God just wants you to be humble and kind and helpful. Learn from me. This is what will make you special."
